Custom Garment Manufacturing &
Global Export

OUR MANUFACTURING EXCELLENCE

At Asian Trading Corporation, we deliver end-to-end garment export solutions for US brands, wholesalers, and private labels. We combine high-capacity production with strict quality standards to bring your apparel designs to market efficiently.

LEADERSHIP MESSAGE

"Our commitment is simple: delivering export-grade garment craftsmanship with total transparency, precision custom specs, and on-time global delivery for every partner brand."

— Imran Shahid Bhatti
Director Commercial

LEADERSHIP MESSAGE

“We blend precision textile engineering with automated manufacturing technology to deliver flawless fabric consistency, tight-tolerance specs, and full supply-chain traceability for high-growth apparel brands.”

**— Naveed Akbar Dogar
Director Technical**
